CARAVITA - The summer manufacturer

Spending time with friends and family, in the garden, eating and celebrating are often the best moments. As early as spring, when the first warm rays of sunshine lure us outside, we want to enjoy additional comfort. Sophisticated trend products in the field of sun and weather protection are indispensable for leisure outdoors. They make it possible to create new favourite places and make outdoor living a year-round pleasure.

For these moments, the high-grade parasols and sun sails from CARAVITA ensure comfortable and cooling shading, as well as necessary protection against UV radiation. Thanks to comfortable extras such as LED and radiant heaters, you can create a cosy atmosphere and unforgettable evenings.

We are proud to have our solutions accompany you through life's best moments. Our products are based on many years of experience, precise craftsmanship and passion. We manufacture your CARAVITA parasol according to your ideas and requirements.

In the hotel industry, food service industry, nursery schools and swimming pools, or in your private garden. CARAVITA stands for robust, customised sun shading solutions that are appreciated by customers worldwide.

Experience the exclusive CARAVITA atmosphere and enjoy the 5-year warranty!

More than just a sun shading system

Your CARAVITA parasol is far more than just a cosy way to provide shade for your guests. Benefit from:

- ✓ Outdoor dining even on rainy days
- ✓ Extended outdoor dining season with an integrated electric radiant heater and LED lighting
- ✓ Advertising space with parasol print
- ✓ Additional seating with Multicube parasol bases
- ✓ Eye-catcher thanks to freely selectable shape and colour design
- ✓ Protection against harmful UV rays

Your new parasol pays for itself in no time with these benefits.

*5 years in accordance with our warranty conditions which can be found at www.caravita.eu/warranty

CARAVITA - A parasol unlike any other

Handmade for you

The choice is yours: size, pole colour, fabric design. Each parasol is then individually manufactured according to the requirements of our customers. With over 25 years of experience, a lot of passion, and high-grade materials, your unique shading system is created – a parasol unlike like any other and a real eye-catcher.

The material makes all the difference

CARAVITA parasols are made of high-grade aluminium. Reinforced struts, a solid hub and a mast with up to 120 mm diameter and 5 mm wall thickness offer not only more than most parasols on the market, but also guarantee extreme wind stability and durability. We also guarantee this with our 5-year warranty*.

Hotel Alpenhof, Oberstdorf

Three majestic Big Ben Freestyles with the individual shape of the canopy are the perfect addition to the environment and hotel facade, and provide a unique ambiance on the hotel patio of this highly popular Best Western. Specialists from CARAVITA worked closely with the local specialist partner and the hotelier to come up with a solution. Ever since, the sturdy shading system has provided a cosy atmosphere for guests during breakfast, lunch and at evening events.

Your Big Ben Freestyle is custom-made to your site requirements.

Das KEHRS, Erfurt

The hotel on the Petersberg in Erfurt unites a modern, cosy ambient with an attractive position and gourmet restaurant. The unique view down over the city can be enjoyed in all its beauty, especially from the hotel patios. In order to make the patios as comfortable as possible for guests, the Kehr family have installed high-grade parasols to provide a pleasant backdrop for good vibes.

The PEBERG restaurant on the ground floor of the hotel also runs a bar on the roof terrace. The indoor and outdoor restaurant areas have space for 80 guests each.

CARAVITA Designer

The AR App for visualisation

The CARAVITA Designer is your configurator for the virtual planning of your parasol. Through the Augmented Reality app, BIG BEN and Co can be easily configured, and your personal location of use can be visualised.

The free app is quick and easy to install, and lets you experience live how your parasol will look on patios, balconies, or in the garden. You can set the size, select a suitable parasol fabric and configure frame colour, motorisation and other extras.

With the CARAVITA Designer, our parasols can be experienced in your own home as smart app applications using Augmented Reality.

It couldn't be easier!

1. Download the "CARAVITA AR Designer" app for free from the App Store (iOS). A tablet is best suited for visualisation, but is also possible using a smartphone.

2. Open the app, select a parasol model and scan the ground.

3. Configuration of size, colour, fabric and many extras.

4. Save the configuration as a PDF and obtain a non-binding price estimate from a local CARAVITA specialist partner.

You can find more information about the app here: caravita.eu/designer
