

CARAVITA®

Exclusive parasols and sun sails

data sheet parasol Primus

PRIMUS

Max. size
Ø 3 m

Max. size
3 x 3 m

Very nimble - Primus impresses with its fast handling and easy-to-use pulley mechanism. This makes the parasol light and mobile. Mobility like this is a must for market stalls and information events, and it is a convenient feature at home on the patio. Primus is available with an aluminium frame, while the Primus Wood variant features a solid ash wood frame.

Fabric

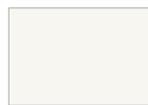

Premium parasol fabric in more than 120 colours. 100% acrylic fabric, light-fast and weather-resistant

Struts

Struts made of aluminium or wood

Frame

white RAL 9016, anthracite grey RAL 7016 or anodised silver, other RAL colours at surcharge

RAL 9016
