SCALA

Max. size
4 x 4 m

The elegant Scala cantilever parasol allows for extra flexibility and convenience, thanks to its integrated rotary base and the optional WMS radio motor. With a span of 4 m and its modern design, the Scala is a real eye-catcher on any patio.

Fabric

Premium parasol fabric in more than 120 colours. 100% acrylic fabric, light-fast and weather-resistant

Frame

Choose from more than 200 RAL colours

Pole

High-Power pole – 100 x 80 mm and 4 mm wall thickness

Rotary base

Pole pivotable by 360°

Struts

Double-Layer power struts
30 x 15 x 2 mm with strut reinforcement

Your benefits

- Flexibility thanks to the pole being pivotable by 360° (optional)
- Unique look and high-grade components
- Convenient operation via hand-held transmitter or app and WMS radio motor (optional)
- Canopy closes right on the pole to save space
